Email: [mail@nitratextile.org](mailto:mail@nitratextile.org) Website: [nitratextile.org](http://nitratextile.org)

## **:: ABOUT NITRA ::**

Northern India Textile Research Association (NITRA), established jointly by the industry and Govt. of India in 1974, is one of the premier textile research associations and is the only ISO 9001:2008 accredited textile research organization in the country. It is linked to the Ministry of Textiles, Govt. of India, and is recognized by the Council of Scientific and Industrial Research, Govt. of India and several other bodies.

### **Facilities**

NITRA is equipped with world-class state-of-the-art facilities to impart both theoretical and practical training. The facilities include complete range of fibre to fabric manufacturing machinery and modern textile testing equipment. In the area of garment manufacturing, complete range of computerized industrial sewing, finishing and embroidery machines are available. NITRA also has a full-fledged lab equipped with complete range of equipment for testing of protective textile materials.
